

**Commonwealth of Massachusetts
Division of Health Care Finance and Policy
2008 Nursing Services Cost Report**

Agencies must include as part of their cost report submission audited, reviewed, or compiled financial statements prepared by a Certified Public Accountant or tax returns filed with the Internal Revenue Service supporting the data claimed on this cost report. If your agency is providing these documents to the Division, you do not need to complete the Accountant's Certification form. Absent these documents, agencies must provide a certification from a Certified Public Accountant (CPA) attesting to the accuracy and validity of the data reported on the cost report.

Accountant's Certification

1. I certify that I have read the cost report instructions and have examined the agency's data reported on the 2008 Nursing Service cost report. I certify that, to the best of my knowledge and belief, the cost report and other supporting schedules are true, accurate, and complete. I certify that the cost report and supporting schedules were prepared in accordance with applicable regulations and instructions and that the data used in the cost report and supporting schedules are prepared from the books and records of the agency, except as otherwise noted.
2. I confirm that the data reported accurately reflects the agency's cost in providing temporary medical personnel staffing to Massachusetts health care facilities. I certify that costs related to other lines of business are not reported on this report. Further, I certify that the allocation methods used to complete this report are in accordance with Generally Accepted Accounting Principles and the cost report instructions and appropriately documented to the Division.
3. I certify that I am not a related party to any owner or partner of the temporary nursing agency, as that term is defined in 114.3 CMR 45.02.
